

NuTrace Nano Advanced 2D Scanner That Goes Everywhere

Track 1D 2D Barcodes
From Your Pocket

NuPossibilities
NuSimplicity
NuAffordability

Small Yet...

Even though it features one of the industry's most technically advanced 2D CMOS image scan engine, the NuTrace nano comes at a very affordable price point that enables the hospital to integrate barcode scanning into mobile applications.

Audible and visible feedback after a successful scan

Extremely durable and reliable with a comprehensive two-year warranty that protects your investment.

1

2D CMOS imager rapidly scans and decodes 1D and 2D barcodes

2

Simple, one-touch scanning

3

USB rechargeable, high capacity Lithium-Ion battery

4

Small form factor - weighs only 2 ounces, 3.27 (L) x 1.42 (W) x 0.85 (D) inches
